MISSION SPOTLIGHT
ONE DAY TO FEED THE WORLD—CONVOY OF HOPE

Can one day of your life change the world? The answer to that question is yes!

Each day more than 16,000 children die of hunger related causes, and many more die from lack of clean drinking water. That's more than 6 million lives lost each year. But we have the power to change that through Convoy of Hope's One Day to Feed the World campaign.

Your gift, equal to **one day's wage can help change the world** for suffering people. With the help of corporate sponsors, Convoy of Hope can multiply a \$100 gift into \$400, or more, of life sustaining goods. Everyone can participate in One Day to Feed the World.

Imagine, you take the equivalent of one day's pay, give that to help hurting people and Convoy of Hope can multiply that gift by at least 4 times! You have the power to make a difference in the lives of people that are hurting, or people that are victims of a disaster. You can have an impact, by participating in One Day to Feed the World!

For more info go to:

www.ConvoyOfHope.org/go/OneDay
