MISSION SPOTLIGHT

Mitko and Albena Dimitrov

While Bulgaria was under a communist regime pastor Mitko was arrested many times & persecuted for his faith. In 1989 he and his wife Albena founded an underground church. With signs & wonders following, their ministry is a part of Global Celebration under Georgian & Winnie Banov. They carry a rich revelatory anointing, opening hidden treasure from the Word and moving strongly in the prophetic for the motivation & edification of the Body of Christ. They are Sr. Pastors of the largest River Church in Bulgaria.

EMPLOYEE OF THE MONTH

Michelle Nichols

Birthday: July 4, 1970

How did you first connect at Victory Fellowship? I was invited by someone. Before ever coming to service, I attended singles ministry events and cell groups. I got saved in August 1995 during Rodney Howard-Browne revival service here at Victory.

When did you first come on staff? August 1999—I taught PE & History. I took off 2004—2007 when I had Emma and returned summer of 2007 (So this is my 10th year at VCA).

What is your favorite thing about working at Victory Fellowship?

The presence of God.

What motivates you every day? Knowing that I am a part of building His Kingdom by teaching and loving His children.

What's your favorite scripture? Romans 8:38-39

What are your hobbies? I love history; Matt and I like going to historical places around Louisiana. I like to watch football! Just spending time with Matt and Emma—doesn't matter what we do really.
